

Heartland South District Rally

The Outwardly Focused Church

Saturday Oct. 3, 2009 930 a.m.—Noon No Charge!

Hear two of the most inspiring and thought provoking presentations from Annual Conference.

Dr. Emanuel Cleaver II, Missouri Congressman and Bishop's Assistant for African-American Leadership.

Dr. Cleaver received a standing ovation after he challenged it with statements like, “What wouldn't you try if you really believed that God would help you? “If God will help you, why aren't you doing something.” “Fear is the worst use of the imagination that God has given us, doing nothing is a sin.”

Rev. Jim Preisig, Lee's Summit UMC

Permission or Forgiveness: Seeking the Freedom to be Outwardly Focused. Jim will offer recommendations on rewriting the DNA of a congregation so as to shift the focus outward and in the process bring inward renewal and revitalization of our established congregations. He speaks from experience.
